Two great classic self-help, Law of Attraction books together in one volume with liberating and inspirational quotes from the greatest thinkers in history.

As A Man Thinketh, by James Allen

In this classic self-help book that spawned a new era of thought, James Allen writes that a man is literally what he thinks, his character being the complete sum of all his thoughts.

Before *The Secret* and *The Law of Attraction*, Allen's teachings were inspiring those who seek to better their lives through personal revelation.

“The soul attracts that which it secretly harbors, that which it loves, and also that which it fears. It reaches the height of its cherished aspirations. It falls to the level of its unchastened desires - and circumstances are the means by which the soul receives its own.”

As a Man Thinketh is Allen's most well known book, and the inspiration behind contemporary works such as *The Secret*.

It Works! by R.H.J

Where *As A Man Thinketh* tells you why, *It Works!* shows you how. Three hundred pages are boiled down to ten minutes of interesting facts, a definite plan and three short rules of accomplishment.

Do not let your worldly, incredulous objective mind keep you from more prosperity and happiness than you have dreamed of.

Test the power of this baffling book that defies tradition and common thinking. Millions have tried the plan and they understand the truth that It does Work.
