## **Believe It: You Know an Atheist** J. David Core

How can you find common ground when a loved one no longer believes in God? Without ever insisting that atheism is the correct conclusion, *Believe It* strives to bridge the disconnect between the devout and the debunkers. Featuring quotes and arguments found throughout the history of skepticism from Epicurus to Sam Harris and beyond, *Believe It* lays out a line of reasoning and analysis designed to illuminate the thinking that inspires a godless worldview. Broken down into three parts, J. David Core here examines from an atheist's POV the fundamentals of disbelief; likely refutations of some of the more common theistic arguments; and such difficult issues as grace, the historicity of religious texts, and the nature of truth. Whether you are the parent of a new atheist, a co-worker of a long-time unbeliever, or simply want to understand the motives and thought processes of your non-religious friends, *Believe It: You Know an Atheist*.
