Church Planting Is for Wimps: How God Uses Messed-up People to Plant Ordinary Churches That Do Extraordinary Things (9Marks) Mike McKinley

This latest addition to the IXMarks series tells the story of the revitalization of Guilford Baptist Church in northern Virginia. Weaving together scripture and biblical principles with humor and personal anecdotes, author Michael McKinley asserts that a pastor's faithful exposition of God's Word, passion for sharing the gospel, and care in the training of other godly leaders are more important than the size of his church.

McKinley honestly shares his own fears and rookie mistakes, along with encouraging stories of how God moved at Guilford Baptist. We are reminded that God uses weak and fearful pastors in plants and revitalizations; church planting is indeed for "wimps." For pastors and seminarians considering a church plant and those already struggling in their own fledgling congregations, this book is a thoughtful and encouraging resource.
