Constructing Death: The Sociology of Dying and Bereavement

Clive Seale

Constructing Death: The Sociology of Dying and Bereavement Clive Seale

Constructing Death reviews sociological, anthropological and historical studies of death, grief and mourning in order to illuminate present-day experience. It is both an introduction to the sociological study of death, dying and bereavement, and an original contribution to death studies and social theory, combining a theoretical argument with original research material. The volume will be of use to students and scholars of sociology, as well as health care practitioners.
