Counseling in Schools: Essential Services and Comprehensive Programs (4th Edition)

John J. Schmidt

Counseling in Schools: Essential Services and Comprehensive Programs (4th Edition) John J. Schmidt

The latest revision of this popular school counseling book will help readers understand the components and services that comprise comprehensive school counseling programs in the context of the 21st Century. This edition retains the important historical foundations of the school counseling profession while adding new information about how technology will influence future services for students, parents, and teachers. It also discusses the important role school counselors must assume in developing programs and services for diverse student populations. Diagrams, sample forms, photographs, and other illustrations throughout the book clarify points of information, provide practical examples, and offer opportunities for discussion. For anyone interested in school counseling and/or counselor education.
