It's so fun to tease him, I can feel his eyes on my butt every time I bend over...

In this incredibly enticing collection, college aged babysitters come face to face with temptation with their handsome, and much older employers. Will the man of the house succumb to the sexy sitter?

EXPLICIT

This collection of taboo short stories contains graphic sex between an older man and college aged sitters.

This bundle includes:

The Sitter's First Time

Michelle had finished her first year of college and was home for the summer. College was fun but she was disappointed that she hadn't met the right man yet. Michelle was saving herself for someone special and none of the guys at college were experienced enough for her. She had a summer job babysitting and started to realize that Mr. Gilcrest was everything she was looking for in a man. He was handsome with an athletic body. He was nice and kind. Most importantly, he talked to her and was interested in what she had to say. Why couldn't she find a man like him at college? Should she confide her secret to him? Would he be shocked? Or would he consider being her first?

Massaging the Babysitter

Becky the babysitter asked if she could get a massage instead of payment. Alex is a masseur who has always fantasized about his hot babysitter. What starts as a professional massage soon gets steamy as both Becky and Alex are too turned on to stop!

Punishing the Sitter

It sucked being home from college for the summer. Becca missed her friends, the parties and, of course, the college guys! She enjoyed her summer job babysitting for the Walton's. Mike was a former Marine with a great body, Becca loved watching him work in the yard without a shirt on. Mike was a strict disciplinarian and Becca soon found out that punishments extended to the sitter. She also found out that she loved being spanked and punished! Mike disciplined Becca more and more, and she loved every second of it. She fantasized about Mike taking her and having his way completely with her. Would her fantasy come true?

Babysitter Obsessions

Eric Martin has a problem, he is obsessed with his eighteen year old babysitter. One night he comes home

and she is asleep on the couch with her short shorts riding up on her cute butt. Eric wants her so bad and he finally is going to get his chance!
