Food and Culture Kathryn P. Sucher, Pamela Goyan Kittler, Marcia Nelms

FOOD AND CULTURE is the market-leading text for the cultural foods courses, providing current information on the health, culture, food, and nutrition habits of the most common ethnic and racial groups living in the United States. It is designed to help health professionals, chefs, and others in the food service industry learn to work effectively with members of different ethnic and religious groups in a culturally sensitive manner. The authors include comprehensive coverage of key ethnic, religious, and regional groups, including Native Americans, Europeans, Africans, Mexicans and Central Americans, Caribbean Islanders, South Americans, Chinese, Japanese, Koreans, Southeast Asians, Pacific Islanders, People of the Balkans, Middle Easterners, Asian Indians, and regional Americans.

From reader reviews:

Marilyn Daniels:

What do you consider book? It is just for students since they're still students or the idea for all people in the world, the particular best subject for that? Just simply you can be answered for that problem above. Every person has diverse personality and hobby for each and every other. Don't to be forced someone or something that they don't desire do that. You must know how great in addition to important the book Food and Culture. All type of book can you see on many methods. You can look for the internet options or other social media.

Henry Major:

In this 21st one hundred year, people become competitive in each way. By being competitive right now, people have do something to make all of them survives, being in the middle of the particular crowded place and notice simply by surrounding. One thing that at times many people have underestimated it for a while is reading. That's why, by reading a publication your ability to survive raise then having chance to endure than other is high. For you who want to start reading the book, we give you this kind of Food and Culture book as nice and daily reading book. Why, because this book is greater than just a book.

Susan Metcalf:

This Food and Culture is great guide for you because the content which can be full of information for you who have always deal with world and also have to make decision every minute. This particular book reveal it facts accurately using great organize word or we can declare no rambling sentences inside it. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but challenging core information with lovely delivering sentences. Having Food and Culture in your hand like obtaining the world in your arm, info in it is not ridiculous one. We can say that no reserve that offer you world throughout ten or fifteen small right but this reserve already do that. So , this can be good reading book. Hi Mr. and Mrs. hectic do you still doubt that will?

Carmen Dana:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Food and Culture can make you sense more interested to read.
