She's after a duke, but it's the valet who gives her the royal treatment

All Leah wanted was a little gallantry. But in this day and age, chivalry was most definitely dead. If only there were a way to travel back in time and snag her very own duke.

Avery Russell was polishing some boots when a woman fell through the bedchamber mirror into his arms. All he could make out from her breathless babbling was some nonsense about "my one true love, Your Grace." Clearly the chit was mad if she couldn't tell a valet from a duke!

As much as Avery wanted to give in and give her a good tumble, he knew it wouldn't be proper. No, he'd take as long as necessary to convince Leah that sometimes a duke just won't do.
