John Keegan

Inteligencia militar: Conocer al enemigo, de Napoleón a Al Qaeda (Noema) (Spanish Edition) John Keegan

Con su habitual perspicacia sobre el complicado mundo bélico y su gran capacidad de narrador, Keegan teje un relato lleno de ritmo sobre los medios que han empleado los grandes estrategas de la historia para identificar las debilidades, las intenciones o las tácticas de sus enemigos.

En ocho capítulos que se leen como ocho mini-novelas, el autor analiza las claves de algunos de los enfrentamientos más famosos de todos los tiempos y el papel que desarrolló la información, para bien o para mal, en cada uno de ellos. Julio César, el almirante Nelson, Napoleón, Stonewall Jackson o Churchill aparecen en estas páginas inmersos en las complicadas decisiones tácticas de sus grandes batallas, para acabar con un relato especialmente interesante para el lector de habla hispana: el análisis de la guerra de las Malvinas en 1982.

Profusamente ilustrado con mapas y gráficos, y documentado con un impresionante despliegue bibliográfico de primera mano, este libro apasionará a los interesados en la historia y ayudará a poner en perspectiva el uso actual de la información en la lucha antiterrorista.
