Italy, 1530-1630 (Longman History of Italy)

Eric Cochrane

Italy, 1530-1630 (Longman History of Italy) Eric Cochrane

This book covers one of the more obscure periods of Italian history. What we know of it is presented almost always pejoratively: an unrelieved tale of political absolutism, rural refeudalisation, economic crisis, religious repression and cultural decline. But this picture is both incomplete and inaccurate, and in this important new survey Eric Cochrane has at last given the period its due.
