Terror Train Two James Ward Kirk

Some say an approaching tornado sounds like a locomotive at full steam. Feel the heat, the horror, the terror of the second volume. This time the train goes global. The first Terror Train rides, from city to city, from village to village, through states, across rivers and mountains. If only it could tell its tales of grisly murder, of demonic pacts, black holes into different dimensions and portals to other realms where the ghosts of train robbers hunt in perpetuity for that elusive bullion filled carriage that cost them their immortal souls. Behold the terrors the train has witnessed, see firsthand the horrors it has lived through and when you get on board, pray, pray you've entered the right one, on the right track, the one that does not lead to oblivion... And, as for the next Terror Train? Only Hell itself knows--for now.
