Text Book: Writing Through Literature Robert Scholes, Nancy R. Comley, Gregory L. Ulmer
Designed for literature-based writing courses, *Text Book* introduces students to the idea that literary texts and ordinary spoken and written language share many of the same features. By providing imaginative methods and unique assignments that let students work with those features in their writing, *Text Book* involves students in the processes of exploring literature creatively, not simply consuming and analyzing it, helping them understand literature "from the inside out."
