The Power of Being Debt Free: How Eliminating the National Debt Could Radically Improve Your Standard of Living Robert Harold Schuller, Paul David Dunn

The authors offer a visionary plan for bringing about a debt-free America. First, they trace the historical roots of our national debt, carefully distinguishing between responsible debt and sheer fiscal foolishness that surfaces in government waste and politicians yielding to the demands of special interest groups. If we, as private individuals, must live within our means, then why can't the government do the same?
