*Your Supervised Practicum and Internship* is a complete, up-to-date guide to everything a graduate student in the helping professions needs for a successful practicum, internship, or field experience. This helpful resource takes students through the necessary fundamentals of field experience, helping them understand the supervision process and their place in it. The authors fully prepare students for more advanced or challenging scenarios they are likely to face as helping professionals. The new edition also interweaves both CACREP and NASW standards, incorporates changes brought by the DSM-5, and places special focus on brain-based treatments and neurocounseling. *Your Supervised Practicum and Internship* takes the practical and holistic approach that students need to understand what really goes on in agencies and schools, providing evidence-based advice and solutions for the many challenges the field experience presents.
