Michael Pollan

## A Place of My Own: The Architecture of Daydreams Michael Pollan

Michael Pollan's unmatched ability to draw lines of connection between our everyday experiences--whether eating, gardening, or building--and the natural world has been the basis for the popular success of his many works of nonfiction, including the genre-defining bestsellers *The Omnivore's Dilemma* and *In Defense of Food*. With this updated edition of his earlier book *A Place of My Own*, readers can revisit the inspired, intelligent, and often hilarious story of Pollan's realization of a room of his own--a small, wooden hut, his "shelter for daydreams"--built with his admittedly unhandy hands. Inspired by both Thoreau and Mr. Blandings, *A Place of My Own* not only works to convey the history and meaning of all human building, it also marks the connections between our bodies, our minds, and the natural world.

**Coming from The Penguin Press in 2013, Michael Pollan's newest book *Cooked: A Natural History of Transformation*--the story of our most trusted food expert's culinary education**
