A Witch's Magic (Heart of a Witch Book 2) H.T. Night

A rising witch.

Two rival mentors.

Two irresistible men.

Sahara's witch powers are increasing, and so is the pressure to choose between dark magic and light magic.

When Paris's sister, Abigail, offers to mentor Sahara in dark magic, she can't resist—though Paris doesn't know it. As well as working a full-time job and training in magic, Sahara makes time for Robert and Donovan. After Robert makes a startling confession, Sahara's impending choice between the men becomes a more heartrending prospect.

Sahara's conscience and emotions are torn between good magic and evil magic, by the fierce rivalry of her mentors...and by two compelling men. Sahara wants the easy power of dark magic without its dire consequences. She cares for both men, too. So, what's a witch to do?

After Sahara learns to draw power from the four elements, one of her mentors challenges her to a duel. Will Sahara be consumed by her passion for black magic? And when the dust settles, which witch will be left standing?

A WITCH'S MAGIC is a full-length paranormal romance novel, and the second book in Heart of a Witch, a spellbinding series about a rising witch who must choose between darkness and light, between love and passion, and between her friendships with two powerful witches—one good, and one evil.
