All-in-one Student Workbook : Version A (Prentice Hall Mathematics, Geometry) PRENTICE HALL
Comprehensive instructional support for proof

Multiple formats are supported through mastery including two column, paragraph, flow, and indirect proofs. Students learn to value the need to think logically and present ideas in a logical order.

Solid coverage of both structure and applications

Traditional geometry concepts and logical reasoning are emphasized throughout, while measurement and applications are integrated to motivate students via real-world connections.

Algebra reviewed and integrated throughout

Algebra 1 skills are reviewed at point-of-use, ensuring students maintain these skills. Algebra integration within coordinate geometry topics, plus probability and statistics connections, are found throughout.
