Smart, ambitious, and driven, **college freshman** Victoria dreams of becoming a journalist one day. Looking to gain valuable experience, she joins the school paper. Her first assignment is a fluff piece on the **football team**—something she knows little about and has zero interest in.

Determined to write the best article that she can, Victoria shows up in the team locker room after a big game. She intends to do a few interviews and then get out of there. But when the **sexy athletes** get their eyes on her, they have other ideas. They want to take her **hard, fast, and unprotected**—and **every player on the team wants a turn!**

Can Victoria resist their hard bodies or will she give in to her desires and let them take her **innocence**? Is she willing to give up both her **cherry** and her **backdoor purity** in order to satisfy these **well-hung men**?
