Ultimate hacks for overcoming distractions that stand in the way

100% Focused

Do you find yourself losing your ability to concentrate on tasks at work, home or school?

Perhaps you're unable to tune in on a conversation with friends and family because you're too busy thinking about what you have to get done.

Do you sit down to work and instead somehow end up going down the rabbit hole with 15 internet tabs open? Are you constantly checking emails, Facebook, and Youtube?

Or are you the type to continuously Google random words and people that pop into your head until you have wasted hours of precious time?

The list of things that get us distracted and take away from our ability to be successful is a long and exhausting list.

Now I want you to relax and know you are not alone. In this day and age of cell phones, tablets, and internet everywhere a lot of people have trouble focusing on task. Actually it's amazing anybody ever gets anything done at all.

Imagine what you could accomplish in a year if you were able to focus! Imagine what you can accomplish in just one year if you could teach your mind to focus on the present and what you're doing, as well as focus on the goals you're trying to achieve.

In this book, I'm going to teach you how to throw distractions to the side and make room for focus in your life. First, we'll start with why you should be focusing, and then we'll move on to how to create a morning routine to get you started right away.

Then I'll let you in on a secret psychologists and yogis' use alike, and we'll move right on to forming habits to keep you focused. Finally, I'll give you a few tips at the end on how to keep your focus even when there are distractions around, and how to get rid of them.
