No one can be sure why a place becomes haunted-- some speculate that the longer it stays abandoned, the more it will attract spirits which are seeking shelter on this earth. On the other hand, maybe it's the occurrences in that place that lead to its haunting. The more violence and suffering there were, the higher the chances of collecting energies that can manifest themselves as apparitions and manifestations.

Some of the stories seem out of this world, such as that of Winchester Mystery House, while some are pretty straightforward, like the Waverly Hills Sanatorium. If you're looking for a night full of paranormal happenings, maybe this book will attract some spirits to come to you.

From cemeteries, hospitals, to residential homes, you will learn about their history, and in the process, you can conclude why these hauntings occur.

After all, many believe in that saying, that the more you think about it, the more it will happen.

Here Is A Preview Of What You'll Learn...

- True Ghost Stories – Hospital of the Dead
- True Ghost Stories – Satan's Dwelling Place on Earth
- True Ghost Stories – House to the Angered Souls
- True Ghost Stories – Hannes' Unlucky Castle
