Kosovo, 1999. Genocide looms on the horizon. The Defense Intelligence Agency network has been blown. The dying has already started. Survivors hope for a rescue. There is only one man for the job; Windwalker. Drew Santos, codenamed Windwalker, is an intelligence operative for the United States Military Intelligence Board. The MIB oversees all the intelligence agencies within the US Department of Defense. Windwalker is a twenty plus years veteran of the intelligence wars and has the scars to prove it. Windwalker is considered 'Mexican American' but some of the ways of his Aztec ancestors flows like a mystic river in his veins. Windwalker has experienced Animal Medicine, being visited by Native American angels, since he was a child and those visits have continued into adulthood. The gifts bestowed upon him by those Native American angels has enabled him to survive thus far. But he will need those and more to survive this mission at hand. Unknown to Windwalker, he has been targeted for termination by a secret group called the Eroders. It is the Eroders who have been manipulating Milosevic and the situation in Kosovo. Who are the Eroders? And what are the Articles of Infection? Under Cover Of Darkness is a rollercoaster ride from start to finish and the ending will stay with you long after the last page has been turned.
