Harper's Topical Concordance of the Bible

Harper's Topical Concordance of the Bible

This volume is most useful for Bible scholars students, teachers, and clergy using King James Version to research and study the Bible, or to conduct worship services. It helps locate chapters and verses related to topics that are not easily found in conventional concordances that locate words rather than concepts. In a user friendly format Harper's Topical Concordance of the Bible usually quotes an entire verse or complete thought. This is a highly effective book yet, it is rarely available in bookstores and may not be readily available using computer technology.
