Love, War & Polio: The Life and Times of Young Bill Porteous Timothy James Bazzett

Combining copious and meticulous research with original letters, interviews, personal recollections and anecdotes, Tim Bazzett tells Bill Porteous's story with compassion, insight and humor. His narrative conveys a contagious and obvious delight in discovering how we are all connected. Here is a homespun history lesson about the nearly forgotten polio plague years and our fathers' and grandfathers' war, presented in a way that manages to bridge the gap between generations and even allows us to laugh a little as we learn of such serious matters. Perhaps in the end, however, Love, War & Polio is a simple and universal tale - one of faith, hope, and the healing power of love.
