Developed and written by financial market expert Bennett A. McDowell?founder of TradersCoach.com® ?this easy-to-use guide shows you how to:

- \* **Take the guesswork out of your trading strategy**
- \* **Read mass psychology signals and avoid emotional trading**

You'll be able to create your own probability matrix to identify the highest probability trades and you'll hear a firsthand account of McDowell's system in action from a student of the "Trader's Coach" himself. Best of all, you won't need any specialized software other than the charting platform and market data feed you're already using. If you need more guidance, the book supplies you with additional resources at no extra cost.
