Hard to Hold On To: A Hard Ink Novella Laura Kaye

Five dishonored soldiers.

Former Special Forces.

One last mission.

These are the men of Hard Ink.

Edward "Easy" Cantrell knows better than most the pain of not being able to save those he loves—which is why he is not going to let Jenna Dean out of his sight. He may have just met her, but Jenna's the first person to make him feel alive since that devastating day in the desert more than a year ago.

Jenna has never met anyone like Easy. She can't describe how he makes her feel—and not just because he saved her life. No, the stirrings inside her stretch far beyond gratitude.

When the pair is thrust together and chaos reigns around them, they both know one thing: The things in life most worth having are the hardest to hold on to.
