With more than 250 previously unpublished photographs, *Pope Francis: A Photographic Portrait of the People's Pope* follows the pontiff through a year in his life, from daily prayers to international pastoral visits, offering a rare look at life behind the scenes with His Holiness Pope Francis.

Inspiring photographs from Pope Francis's official photographer Rodolfo Felici capture both significant and informal events, from papal visits throughout the world to spontaneous moments at the Vatican, creating an exceptionally intimate portrait of the pope and an inside look at papal life. In *Pope Francis: A Photographic Portrait of the People's Pope*, this close-up is coupled with the inside knowledge of author Father Michael Collins, a former adviser at the Vatican, who provides a complete look at Pope Francis's journey from his boyhood in Argentina to the workings of the papacy and the Holy City.

Created in full cooperation with the Vatican, *Pope Francis: A Photographic Portrait of the People's Pope* is a beautiful tribute to His Holiness Pope Francis, the first Jesuit and Latin American pope and a true pope of the people.
