Alpha Addiction (Three Bad Boy Romance Novels) Katie Silver

Finally, three hot Katie Silver romances in one collection!

1. One Night Stand

ONE NIGHT.

It was only supposed to be one night... How did it turn into so much more?

Emma Waterhouse doesn't have time for guys. College classes and fun with her roommates are more than enough to keep her busy. But when her roommates drag her out for a night of drinking and dancing, she's ready to let loose for one night and break all her own rules.

Lorenzo Romano is the hottest guy Emma has ever seen and he seems to only have eyes for her. Is he too good to be true? What can one night hurt? One night of hot, mind-blowing action with Lorenzo will be enough, right?

Things take a turn when Emma realizes she's in over her head. There's more to Lorenzo than meets the eye. And one hot night has left her in a world of trouble. The innocent little college girl just fell for the heir to a mafia fortune and a new threat lurks around every corner. She should turn her back on Lorenzo and everything he represents...but how can she ignore her burning need for him?

2. Ruined

Dark. Damaged. Dangerous.

He will ruin me.

I should run. Blake Harrison is everything I've been taught is wrong. The handsome billionaire is hiding a dark secret and the longer I stay, the more I fall under his spell. We are both running from something, but our secrets threaten to tear us apart. The darkness is starting to feel more comfortable than the light.

Can we find salvation in our ruin?

3. Rogue

He was dangerous.

From the moment I laid eyes on Liam, I knew he was trouble. He looked like danger, all packaged in worn leather with the motorcycle to match.

And worst of all, he looked like pure sex, with a tattooed, muscular body meant for sin.

My parents would never approve. I was a good girl. I knew that I should resist temptation.

But what fun would that be?
