Subtly Worded (Pushkin Collection) Teffi

A selection of the finest stories by this female Chekhov

Teffi's genius with the short form made her a literary star in pre-revolutionary Russia, beloved by Tsar Nicholas II and Vladimir Lenin alike. These stories, taken from the whole of her career, show the full range of her gifts. Extremely funny-a wry, scathing observer of society-she is also capable, as capable even as Chekhov, of miraculous subtlety and depth of character.

There are stories here from her own life (as a child, going to meet Tolstoy to plead for the life of War and Peace's Prince Bolkonsky, or, much later, her strange, charged meetings with the already-legendary Rasputin). There are stories of émigré society, its members held together by mutual repulsion. There are stories of people misunderstanding each other or misrepresenting themselves. And throughout there is a sly, sardonic wit and a deep, compelling intelligence.

Pushkin Collection editions feature a spare, elegant series style and superior, durable components. The Collection is typeset in Monotype Baskerville, litho-printed on Munken Premium White Paper and notch-bound by the independently owned printer TJ International in Padstow. The covers, with French flaps, are printed on Colorplan Pristine White Paper. Both paper and cover board are acid-free and Forest Stewardship Council (FSC) certified.
