“Rochelle French leaves you breathless for more...lots more!” Virna DePaul, *New York Times*
bestselling author

Country-girl Chessie Gibson’s always been a giver. Billionaire Theo Courant’s always been a player. Since childhood, the two have irritated the heck out of each other. Only when Theo breaks both wrists and ankles in a snowboarding accident, Chessie’s asked to care for her family friend. But being stuck with egotistical Theo in her Meadowview farmhouse is most definitely *not* her idea of fun.

Theo sees Chessie as part pin-up girl, part hippie-chick—nothing like the models and social climbers he’s used to dating. She’s gorgeous and luscious, but he’s never made a move on his best friend’s younger sister. The two of them are opposite in almost every way imaginable. But wow—is she ever *hot!*

But when Theo and Chessie end up stuck together for weeks, they come to know each other in ways neither thought possible. Seeing a different side of Theo—he’s not exactly the frivolous playboy he seems—Chessie finds herself unable to resist the temptation to try a “friends with benefits” situation. But their differences continue to come between them...and if Theo doesn’t learn love is something that cannot be bought, the chance of a lifetime could pass them both by.
