Book #1: My First - Jason & Katie

Jason Sloan is known as Harper's Crossing's resident Romeo. With his easygoing charm, whiskey-colored brown eyes, and sinfully sexy half smile, women seem to fall all over themselves when he's around.

Well...most women. Katie Lawson's the one woman who isn't putty in his hands, and she's the only one he's ever wanted in his arms.

Katie Lawson left Harper's Crossing ten years ago, immediately after her high school boyfriend Nick's funeral. She left behind all memories of Nick, and she left behind her life-long best friend, Jason Sloan.

Now she's on the fast track to junior partner at one of San Francisco's top law firms. Her life is all about maintaining order and sticking to the rules. Rule #1 is keeping herself too busy to think about all that she ran away from.

But that rule is about to be broken. It's time to face the truth-that maybe she didn't lose her first love the summer after high school. Maybe her first love has been waiting for her all this time, at home in Harper's Crossing.

Book #2: My Last - Riley & Chelle

He was the bad boy...

After twelve years in the Marines Special Forces Riley Sloan is more than ready to start his new civilian life. No one to answer to. No one depending on him. No more dangerous rescues...he thought. After receiving a distress call he is sent to check on the one girl that's completely off limits and the only girl who ever made him question his loyalty. His best friend's little sister. She is the last girl he should want...but the only one he does.

She was the good girl...

Rachelle Thomas is honest, kind and always sees the best in people. So she is completely blindsided when her fiancé dumps her for his pregnant 18 year old secretary. Confused and heartbroken she heads out of town to regroup. When her friends and family get worried they send out a search party of one. Riley Sloan. Star of all of her teenage (and adult) fantasies. The man Riley has grown into is even more tempting than the teen she once had a crush on. Chelle knows it's wrong to want him, but is tired of always doing the "right thing"...especially when Riley makes the "wrong thing" feel so right.

Book #3: My Only - Alex & Jamie

The Firefighter...

With his sexy good looks, natural born charisma, and playful sense of humor, firefighter Alex Sloan is Harper's Crossing's most eligible bachelor. Since returning home from serving his country as a Navy SEAL women have been lining up to be with him. Alex works hard and plays even harder. Nothing can stop him when he sets his mind to something. The Nurse...

Jamie Miller learned the hard way that there is one person she can depend on in this world...herself. To keep her life on track she needs to stay focused on her ten-year plan that includes working two jobs and does not include sexy distractions. And distractions don't come much sexier than Alex Sloan.

Will Jamie be able to resist the irresistible Alex Sloan, or will her resolve crumble when Alex decides that his mind is set on her?

Book #4: My Everything - Seth & Amber

Strong. Sexy. Skilled.

Seth Sloan is returning to Harper's Crossing a war hero. As the leader of a Special Forces Marine Elite Unit Seth is trained to handle any situation...except one. An injury forced him to accept a medical discharge. Now he's heading back to his hometown to a world he doesn't recognize. Out of all the faces there to greet him is the one that he never expected to see again may just be the one that holds all the answers.

Beauty. Brains. Bella.

Amber Webb has everything she needs...she thinks. She owns Bella, a successful clothing boutique, has a close-knit group of loving friends and a full social calendar. She is perfectly content. Until her idyllic life gets turned upside down by random acts of vandalism and flipped right side up by the return of a mysterious man from her past.

Sometimes a one night stand is just the beginning...
