The bloody Circle War for control of America's West is over and the Russian invaders defeated—for now. But Viktor Robotov, the international terrorist who orchestrated the unspeakable carnage, has escaped. Out of the devastated landscape of the United States, emerges jet fighter ace Hawk Hunter, and he is determined to bring Robotov to justice—or die trying. The trail leads Wingman to North Africa and to an Egyptian pyramid rumored to conceal a prize that will determine the fate of the Middle East and empower Robotov for eternity. It is up to Hunter to rid the earth of this madman and restore the forgotten dream called "America."
