These are satirical opinion pieces only. Their purpose is to provoke thought and conversation. They will inspire and entertain hard working, tax paying, God fearing conservative constitutionalists who have become so disgusted and disenfranchised by the leftward slouch of our elected representatives, and our political system that they have thrown up their hands in disgust and abandoned the political system entirely. Our goal is to remind them that they are not alone, that the political system can still work if we work it, and to reassure them that there are a whole lot of folks just like them - sick to the back teeth of the liberal left wing and the damage they are doing to our nation, our economy, and our credibility on the world stage. This book is recommended for anyone who enjoys political satire, political humor, politics in general and conservative opinion.
