Long Time Gone (Roug Riders) Lorelei James

The right love is worth the wait...

Calvin McKay can't understand his twin brother's rush toward the altar--until he lays eyes on the bride's younger sister. But she's far too innocent for him to pursue...and yet something about that little blonde tornado gets his blood pumping and his heart all twisted up.

Kimi West is used to boys chasing after her, but Cal McKay is a man--all man--and his hot kisses are like nothing she's ever experienced. But he's a rancher, tied to the land, and she can't wait for the day she can escape from Wyoming and see the world.

After a tragedy sends Kimi running from her family, Cal gives Kimi a place to stay--and oh so many tantalizing reasons to stay--while she sorts out her plans. Now she'll have to decide whether the adventure she wants is in a new frontier or right there by Cal's side.

Please note: *Long Time Gone* is a NOVELLA, a slice of life in the Rough Riders world rather than the whole pie.

BONUS! At the end of this novella you'll find an exclusive excerpt of *Unbreak My Heart*, the long-awaited love story that reunites Sierra Daniels McKay and Boone West from Gone Country...
