In the spirit of C. S. Lewis and J. R. R. Tolkien, The Lamb among the Stars series weaves the worlds of science and the spirit, technology and the supernatural into something unique and haunting. On the faraway planet of Farholme, humans live in peace under the gentle rule of the Assembly. War and evil are ancient history. But suddenly, almost imperceptibly, things begin to change. Slowly a handful of men and women begin to realize that evil has returned and it must be fought.
