The Ultimate Guide To Choosing a Medical Specialty Brian Freeman

The first medical specialty selection guide written by residents for students! Provides an inside look at the issues surrounding medical specialty selection, blending first-hand knowledge with useful facts and statistics, such as salary information, employment data, and match statistics. Focuses on all the major specialties and features firsthand portrayals of each by current residents. Also includes a guide to personality characteristics that are predominate with practitioners of each specialty.

“A terrific mixture of objective information as well as factual data make this book an easy, informative, and interesting read.”

--Review from a 4th year Medical Student
