And Then She Flew

Jen Labesky

And Then She Flew Jen Labesky

On May 28, 1977, ten year old Anna Cunningham fell... hard. The night her parents were killed, her picture-perfect childhood was shattered, and her heart slammed shut. Twenty-five years later, her psychology practice has stagnated, and her love life consists of one-night stands with beer-bellied rednecks. She's numb. She's alone. And she's ok with that – it's safer that way. But when a quirky little girl named Sunshine barges into her life, Anna is catapulted into a journey she is not prepared to make. As the Bloomfield Police scramble to catch a serial-rapist, and Anna's patients struggle with demons of their own, Anna fights with all her power to stay in the safe, numb world she has created... but it seems little Sunshine has different plans. **AND THEN SHE FLEW** is a story of how life can shatter into a million pieces, splintering our wings. But with love, the pieces can come together again, and even broken wings can fly.

From reader reviews:

Dennis Johnson:

What do you consider book? It is just for students since they're still students or it for all people in the world, what best subject for that? Merely you can be answered for that problem above. Every person has different personality and hobby for every other. Don't to be compelled someone or something that they don't need do that. You must know how great as well as important the book And Then She Flew. All type of book is it possible to see on many sources. You can look for the internet methods or other social media.

Sandra Bryson:

Do you considered one of people who can't read satisfying if the sentence chained within the straightway, hold on guys this specific aren't like that. This And Then She Flew book is readable simply by you who hate the straight word style. You will find the data here are arrange for enjoyable reading experience without leaving even decrease the knowledge that want to supply to you. The writer associated with And Then She Flew content conveys the idea easily to understand by a lot of people. The printed and e-book are not different in the content but it just different available as it. So , do you nevertheless thinking And Then She Flew is not loveable to be your top collection reading book?

Camille Wolfe:

The reason why? Because this And Then She Flew is an unordinary book that the inside of the guide waiting for you to snap it but latter it will shock you with the secret the item inside. Reading this book beside it was fantastic author who all write the book in such amazing way makes the content interior easier to understand, entertaining means but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of gains than the other book get such as help improving your ability and your critical thinking means. So , still want to hesitate having that book? If I were you I will go to the book store hurriedly.

Blanche Dobos:

Reading can called head hangout, why? Because when you are reading a book particularly book entitled And Then She Flew the mind will drift away trough every dimension, wandering in most aspect that maybe unfamiliar for but surely will end up your mind friends. Imaging each and every word written in a guide then become one web form conclusion and explanation in which maybe you never get prior to. The And Then She Flew giving you a different experience more than blown away your thoughts but also giving you useful details for your better life on this era. So now let us explain to you the relaxing pattern at this point is your body and mind will probably be pleased when you are finished looking at it, like winning an activity. Do you want to try this extraordinary shelling out spare time activity?
