## **Antler Dust** Mark Stevens

"Antler Dust," the first novel in the Allison Coil Mystery Series, begins with a bang. Two bangs. On the opening day of the hunting season in the Colorado Flat Tops wilderness, two men go missing. The first is a hunting guide. The second is an animal rights protester who believes his creative suicide will galvanize the animal rights movement. Hunting guide Allison Coil hears a distant rifle shot and sees just enough through the swirling snow to believe somebody knows something-and isn't coming forward. But what exactly did she see? Outfitter George Grumley fends off the formal investigation and works to discourage the informal and persistent inquiries by Coil. Grumley knows no limits in the effort to protect his guide service, which caters to fat-cat clients. Who needs hunting regulations when technology can produce the quickest and most thrilling hunt that money can buy?

### From reader reviews:

#### **William Murphy:**

Here thing why this kind of Antler Dust are different and reputable to be yours. First of all reading a book is good but it depends in the content from it which is the content is as delicious as food or not. Antler Dust giving you information deeper and in different ways, you can find any e-book out there but there is no publication that similar with Antler Dust. It gives you thrill reading through journey, its open up your current eyes about the thing that will happened in the world which is might be can be happened around you. It is easy to bring everywhere like in park, café, or even in your approach home by train. When you are having difficulties in bringing the published book maybe the form of Antler Dust in e-book can be your alternate.

#### **Eliseo Watkins:**

Information is provisions for those to get better life, information currently can get by anyone in everywhere. The information can be a know-how or any news even a problem. What people must be consider whenever those information which is from the former life are difficult to be find than now's taking seriously which one works to believe or which one the resource are convinced. If you have the unstable resource then you understand it as your main information you will have huge disadvantage for you. All of those possibilities will not happen with you if you take Antler Dust as the daily resource information.

#### **Louise Villanueva:**

Antler Dust can be one of your basic books that are good idea. We all recommend that straight away because this reserve has good vocabulary that could increase your knowledge in terminology, easy to understand, bit entertaining but nonetheless delivering the information. The article writer giving his/her effort to place every word into satisfaction arrangement in writing Antler Dust yet doesn't forget the main position, giving the reader the hottest along with based confirm resource info that maybe you can be one of it. This great information may drawn you into fresh stage of crucial thinking.

#### **Helen Velez:**

Many people spending their time period by playing outside having friends, fun activity along with family or just watching TV all day every day. You can have new activity to shell out your whole day by studying a book. Ugh, do you consider reading a book really can hard because you have to accept the book everywhere? It ok you can have the e-book, having everywhere you want in your Cell phone. Like Antler Dust which is having the e-book version. So , why not try out this book? Let's notice.
