Bundle: College Physics, 9th + Enhanced WebAssign Homework and eBook LOE Printed Access Card for Multi Term Math and Science Raymond A. Serway, Chris Vuille

While physics can seem challenging, its true quality is the sheer simplicity of fundamental physical theories-theories and concepts that can enrich your view of the world around you. COLLEGE PHYSICS, Ninth Edition, provides a clear strategy for connecting those theories to a consistent problem-solving approach, carefully reinforcing this methodology throughout the text and connecting it to real-world examples. For students planning to take the MCAT exam, the text includes exclusive test prep and review tools to help you prepare.
