The Ripper's Wife Brandy Purdy

A suspenseful, spellbinding novel of love, jealousy, and murder, *The Ripper's Wife* reimagines the most notorious serial killer in history through the eyes of the woman who sealed his fate.

"Love makes sane men mad and can turn a gentle man into a fiend."

It begins as a fairytale romance--a shipboard meeting in 1880 between vivacious Southern belle Florence Chandler and handsome English cotton broker James Maybrick. Courtship and a lavish wedding soon follow, and the couple settles into an affluent Liverpool suburb.

From the first, their marriage is doomed by lies. Florie, hardly the heiress her scheming mother portrayed, is treated as an outsider by fashionable English society. James's secrets are infinitely darker--he has a mistress, an arsenic addiction, and a vicious temper. But Florie has no inkling of her husband's depravity until she discovers his diary--and in it, a litany of bloody deeds. . .
