Introducing Property Valuation

Michael Blackledge

Introducing Property Valuation Michael Blackledge

This comprehensive introduction to the concepts and methods of valuing real estate helps students to progress successfully from basic principles to a more sophisticated understanding.

Taking a practically oriented rather than purely theoretical approach, this textbook enables you to undertake valuation calculations yourself. Experienced tutor and valuer Michael Blackledge demonstrates how the principles can be applied in professional practice in line with the requirements and guidance provided by the Royal Institution of Chartered Surveyors.

The five traditional methods of valuation are outlined and the practical applications of the two main approaches, the comparison and investment methods, are fully explored. The use of discounted cash flow and quarterly in advance calculations, topics which have often been neglected elsewhere, are also explained. Complete with extensive further reading suggestions, a full range of worked examples, clear chapter summaries and additional online exercises, this book is essential for any student of real estate and its valuation.

From reader reviews:

Brad Hawkes:

Book is to be different for each grade. Book for children right up until adult are different content. As we know that book is very important normally. The book Introducing Property Valuation has been making you to know about other information and of course you can take more information. It is rather advantages for you. The publication Introducing Property Valuation is not only giving you far more new information but also to get your friend when you really feel bored. You can spend your spend time to read your book. Try to make relationship using the book Introducing Property Valuation. You never truly feel lose out for everything in the event you read some books.

Fabiola Gaylor:

This Introducing Property Valuation is great book for you because the content and that is full of information for you who else always deal with world and also have to make decision every minute. This particular book reveal it info accurately using great plan word or we can say no rambling sentences within it. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but tough core information with wonderful delivering sentences. Having Introducing Property Valuation in your hand like having the world in your arm, facts in it is not ridiculous a single. We can say that no publication that offer you world with ten or fifteen second right but this e-book already do that. So , this really is good reading book. Hi Mr. and Mrs. active do you still doubt this?

Glady Curry:

This Introducing Property Valuation is fresh way for you who has fascination to look for some information because it relief your hunger details. Getting deeper you onto it getting knowledge more you know or perhaps you who still having little digest in reading this Introducing Property Valuation can be the light food for you personally because the information inside this kind of book is easy to get by anyone. These books produce itself in the form and that is reachable by anyone, that's why I mean in the e-book form. People who think that in book form make them feel tired even dizzy this guide is the answer. So there isn't any in reading a book especially this one. You can find actually looking for. It should be here for you. So , don't miss that! Just read this e-book sort for your better life along with knowledge.

Robert Wilkes:

That book can make you to feel relax. This kind of book Introducing Property Valuation was multi-colored and of course has pictures on there. As we know that book Introducing Property Valuation has many kinds or type. Start from kids until teenagers. For example Naruto or Investigation company Conan you can read and think that you are the character on there. Therefore , not at all of book are make you bored, any it makes you feel happy, fun and relax. Try to choose the best book for you and try to like reading that.
