Complementing *Exploring Creation with Astronomy*, the Astronomy Notebooking Journal will provide everything your students need to complete their studies in astronomy. The Notebooking Journal serves as your child's individual notebook, providing a place for them to complete every assignment, record their experiments and display their work. These Notebooking Journals are a perfect complement to *Exploring Creation with Astronomy*. Each student will cherish their individual notebook as they make it their very own with words and illustrations reflecting all they have learned in their pursuit of astronomy. Additionally, it serves as your record of your student's scientific endeavors throughout the year. When your child flips through their notebook, they will be reminded of the knowledge they have attained, reviewing the material as they peruse the pages they have created.
