Reading Plato

Thomas A. Szlezák

Reading Plato Thomas A. Szlezák

Reading Plato offers a concise and illuminating insight into the complexities and difficulties of the Platonic dialogues, providing an invaluable text for any student of Plato's philosophy.

Taking as a starting point the critique of writing in the *Phaedrus* -- where Socrates argues that a book cannot choose its reader nor can it defend itself against misinterpretation -- *Reading Plato* offers solutions to the problems of interpreting the dialogues. In this ground-breaking book, Thomas A. Szlezak persuasively argues that the dialogues are designed to stimulate philosophical enquiry and to elevate philosophy to the realm of oral dialectic.
