Advancing Race and Ethnicity in Education

Advancing Race and Ethnicity in Education

This timely collection focuses on domestic and international education research on race and ethnicity. As co-conveners of the British Education Research Associations (BERA) Special Education Group on Race and Ethnicity (2010-2013), Race and Lander are advocates for the promotion of race and ethnicity within education. With its unique structure and organisation of empirical material, this volume collates contributions from global specialists and fresh new voices to bring cutting-edge research and findings to a multi-disciplinary marker which includes education, sociology and political studies. The aim of this book is to promote and advocate a range of contemporary issues related to race, ethnicity and inclusion in relation to pedagogy, teaching and learning.
