Milked by the Viking (A HuCow Fantasy) Olivia Reed

When Katrina is left behind after a raid on her village, the young woman knows she has to hide. But with an injured ankle, she can't go far. Her only choice is to crawl to a nearby barn and hide among the cows until the raiders return home.

But when Thorim, a giant among men, finds her hiding spot, the scared, naked girl has nowhere to run. The raider has his sights set on making her his Thrall, and there is nothing she can do to stop him.

And when Thorim discovers Katrina is lactating, the Viking giant comes to value his new prize even more. Because now he doesn't just have a Thrall. Now he has a pretty little cow that he cannot wait to milk. And once he's tasted her, he'll take her hard. He'll make her his. He'll turn her into his pet.

The only question left is just how much the confused Katrina will enjoy being Milked by the Viking...
