Nookietown: A Novel V.C. Chickering

Recently divorced, 40-something single-mom, Lucy, is lonely, bored and craving physical connection. So, when her trusted long-time married friend, Nancy, begs Lucy to sleep with her husband to save her marriage, Lucy goes for it. It's such a success, the two friends invent a town-wide underground barter system whereby Nancy's married girlfriends sub-contract Lucy's divorcee friends to sleep with their husbands so they don't have to as often. It's a win, win, win- for a while. Then it all goes to hell in a hand-basket.

Laugh-out-loud funny, emotionally provocative and at times racy, Nookietown is a story of risk-taking, marriage, honesty and desire, and what one woman rationalizes in order to get what she wants.
