Stories of the Great Turning Joanna R. Macy

This book tells stories of how ordinary people in their everyday lives have responded to the challenges of living more sustainably. In these difficult times, we need stories that engage, enchant and inspire. Most of all, we need stories of practical changes, of community action, of changing hearts and minds. Here are tales about the transformation of wasteland and the installation of water power, of reducing consumption and creating sustainable business, stories from people changing how they live their lives and the inner transformation this demands.
