The Chaos of Stars Kiersten White

Kiersten White, *New York Times* bestselling author of *Paranormalcy*, is back with *The Chaos of Stars*, an enchanting novel set in Egypt and San Diego that captures the magic of first love and the eternally complicated truth about family. Blending Ally Carter's humor and the romance of Cynthia Hand's *Unearthly*, *The Chaos of Stars* takes readers on an unforgettable journey halfway across the world and back, and proves there's no place like home.

Isadora's family is seriously screwed up—which comes with the territory when you're the human daughter of the Egyptian gods Isis and Osiris. Isadora is tired of her immortal relatives and their ancient mythological drama, so when she gets the chance to move to California with her brother, she jumps on it. But her new life comes with plenty of its own dramatic—and dangerous—complications . . . and Isadora quickly learns there's no such thing as a clean break from family.
