The Power of Observation Birth to Age 8, Second Edition Margo L. Dichtelmiller, Amy Laura Dombro, Judy R. Jablon

The Power of Observation helps educators recognize the connection between observation and responsive teaching, making the observation process an integral part of their work with young children. Filled with the personal experiences of the authors and others in the early childhood field, this resource offers specific strategies for building and refining observation skills and for applying what is learned from observation to daily practice. It includes a study guide based on the recommendations of university and community college professors who use this resource as a textbook for their courses. Includes: 194 pages, paperback
