Understanding The Purpose And Power Of Woman CD (12 CD) Myles Munroe

Women of every culture and society are facing the dilemma of identity. Traditional views of what it means to be a woman, and changing cultural and marital roles, are causing women conflict in their relationships with men. Women are under tremendous stress as they struggle to discover who they are and what role they are to play today—in the family, the community, and the world.

In this teaching, Dr. Myles Munroe examines societies' attitudes toward women and addresses vital issues such as: Are women and men equal? What are the purpose and design of the woman? Are women meant to be leaders? Whether you are a woman or a man, married or single, this teaching will help you to understand the woman as she was meant to be.
