Lou Gramm rose from humble, working-class roots in Rochester, New York, to become one of rock's most popular and distinctive voices in the 1970s and '80s, singing and cowriting more than a dozen hits with the band Foreigner. Songs such as "Cold As Ice," "I Want to Know What Love Is," "Waiting for a Girl Like You," "Double Vision," "Urgent," and "Midnight Blue" are among 20 Gramm songs that achieved Top 40 status on the Billboard charts and became rock classics still played often, nearly three decades after they first hit the airwaves and the record store shelves. *Juke Box Hero: The My Five Decades in Rock 'n' Roll* chronicles, with remarkable candor, the ups and downs of this popular rocker's amazing life—a life which saw him achieve worldwide fame and fortune, then succumb to its trappings before summoning the courage and faith to overcome his drug addiction and a life-threatening brain tumor. Gramm takes the reader behind the scenes—into the recording studio, back stage, on the bus trips and beyond—to give an insider's look into the life of the man *Rolling Stone* magazine referred to as "the Pavarotti of rock."

As a university student, I exactly feel bored to be able to read. If their teacher asked them to go to the library or to make a summary for some reserve, they are complained. Just tiny students that have reading's spirit or real their leisure activity. They just do what the instructor wants, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise, words say, ways to reach Chinese's country. Therefore this Juke Box Hero: My Five Decades in Rock 'n' Roll can make you really feel more interested to read.
